

# Registering for Spring Programs @ GCYC

## Step-by-Step Guide for Your Amilia Account

### **Step 1: Log into your Amilia account.**

Please use this time to update any contact information needed and/or add a user profile picture.

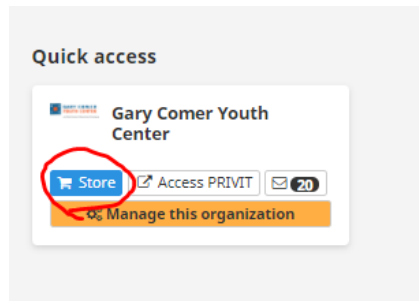

All information already inputted will automatically be filled in.

If you are unable to locate your username or passcode, please contact Amilia directly as GCYC does not have access to this account information.

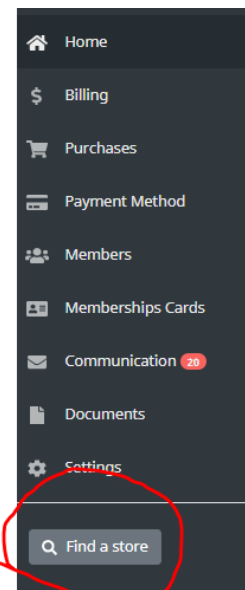

### **Step 2: Locate and Click on the GCYC Store on your Amilia Account Homepage**

There are two ways to locate the GCYC Store.

#### **Pathway #1**

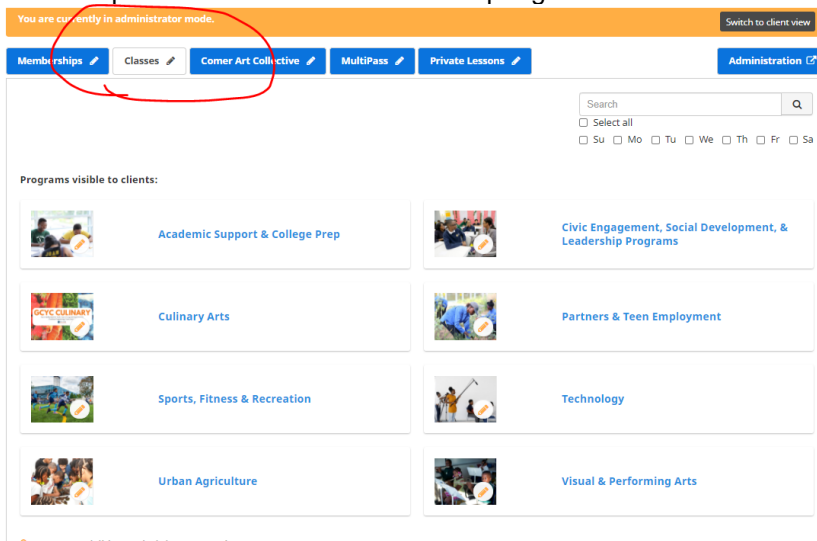

#### **Pathways #2:**

### **Step 3: Select "Classes" located in the top bar of the page.**

Memberships are still valid for the Winter/Spring session.

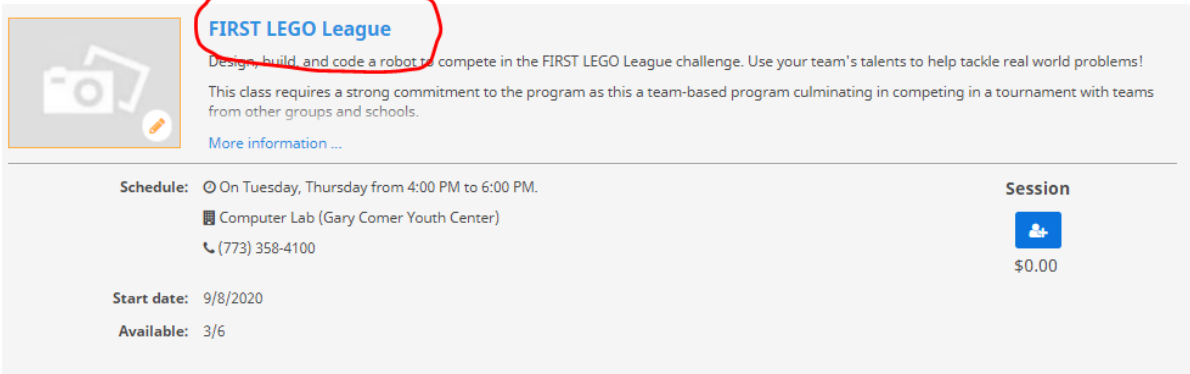

**Step 4: Locate Your Program of Choice by searching through our many departments listed.**

All programs listed under each department are for the Spring 2021 season, January 11, 2021-May 27, 2021.

*\*Please note: All ASM and Teen Employment programs will begin on the date announced by After School Matters.*

**1. Click on Program Title**

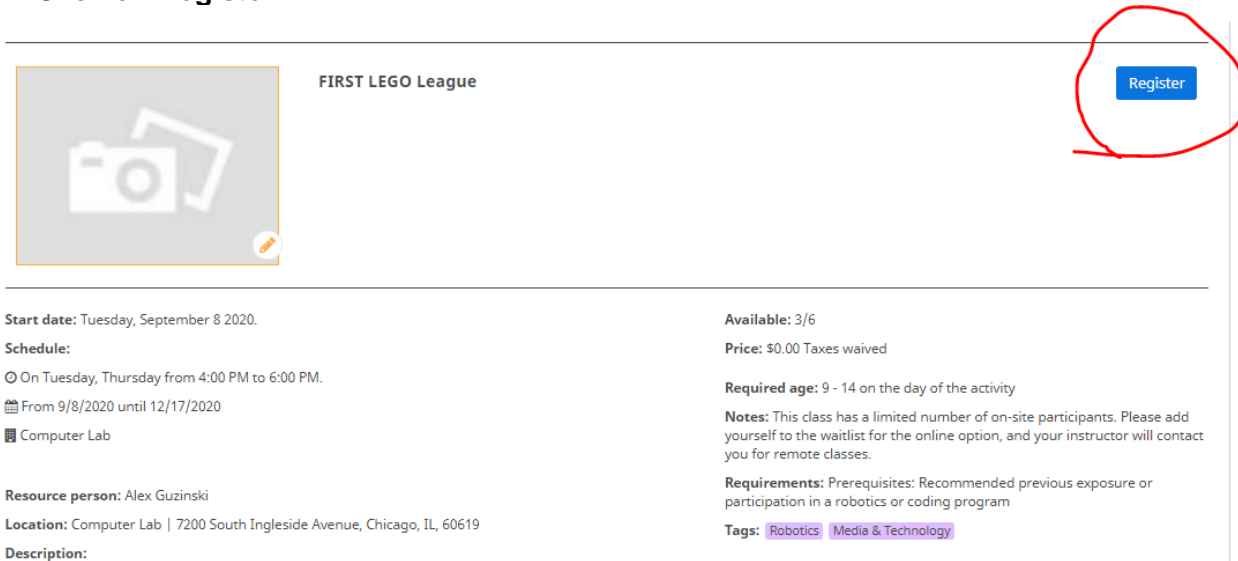

**FIRST LEGO League**  
Design, build, and code a robot to compete in the FIRST LEGO League challenge. Use your team's talents to help tackle real world problems!  
This class requires a strong commitment to the program as this a team-based program culminating in competing in a tournament with teams from other groups and schools.
